LAUNCH COLLEGE BUILDING PROGRAM DURING SUMMER

Was, Hoeptner Contest for Student Presidency

Forsee Heavy Vote In Primary Race

Approval of nominating petitions for eight student executive offices today inaugurated a flurry of preliminary campaigning as 21 collegiate nominees prepared for primary elections scheduled for Monday. The final vote will be taken the following Wednesday.

President Brent Wahlberg, who will hand the traditional silver gavel over to the new president at the annual jaycee banquet next month, asserted this morning that a record vote is anticipated in both elections.

The first vote will decide the race for the highest student office, that of Associated Student president, as Bill Was and Scott Hoeptner are the only candidates listed on the presidential ballot. Nomination of only two candidates for student treasurer will also give the decision to either Ralph Gish or Burr Shafer in the initial vote.

Three co-eds tossed their respective hats into the political ring for leadership of the AWS. Barbara Preininger, Jeanne Conliffe, and Joan Dickerson will vie for that office next week.

Other aspirants to student body offices include Gene Perkins, Dexter Ball, Doug May, and Paul Cleary, for vice-president; Connie O'Donnell, Melba Moss, and Phyllis Bemis, secretary.

Local Instructors Attend Meeting

Miss Dorothy Decker and Miss Genevieve Humiston, commercial instructors left yesterday to attend the annual state convention of Business and Professional Women at Yosemite.

Flight of Hess Recalls Travel In Germany of Instructor; Sees, Hears Official in 1936

Campus interest in the British episode involving the escape of Rudolph Hess was increased here today when it was learned that Instructor Kramer J. Rohfleisch had heard and seen the Nazi leader speak while in Germany several years ago.

"The dramatic flight of Hess from Germany is all the more astonishing to me because of the high esteem in which he was held by his own people, the local instructor stated.

HITLER AIDE

"Of all the high ranking Nazi leaders he was the most universally admired, especially by the younger citizens. He had the reputation of being the most trusted of the group surrounding Hitler.

"One day in Berlin, I saw Mr. Hess in conversation with other officials outside the foreign office on the Wilhelm-Strasse. Later I heard him speak."

The flight of Hess from Germany's strong arm circle of offi-

INSTRUCTOR ALAN A. REVILL, who directed the annual concert of the jaycee orchestra Wednesday night. Tonight Sigma Phi Sigma will present a musical concert.

Hold Funeral Rites For August Ward

Funeral services for August Ward, father of Coach John Ward, who passed away at his Bolsa home Wednesday night, will be held at the Smith and Tuthill mortuary this afternoon at 2 o'clock. Burial will be made at Fairhaven cemetery.

Mr. Ward, who has been a resident of Orange county for the past 56 years, is survived by the following family members in addition to his wife and son: Mrs. Mildred Butler, a daughter, and William Ward, a brother, both of Santa Ana; and Mrs. Hattie Neece, a sister, of Long Beach.

Articles Sold By Instructor Rohfleisch

Instructor Kramer J. Rohfleisch today revealed that two of his articles have been accepted for publication by nationally known magazines.

One of the manuscripts is a discussion of the terminal and academic program in junior college. Mr. Rohfleisch stated that he attempted to assess the value of each program. The article is titled "A Danger in the Terminal Program" and was accepted by the "Junior College Journal," a publication dealing with activities, problems, and interests of the junior colleges.

The other article was accepted by the boating periodical "Yachting" and is titled "North to the Golden Gate." This story concerns a trip taken by Mr. Rohfleisch last summer in a 30 foot ketch from Santa Barbara to San Francisco. In conjunction with the article, Mr. Rohfleisch submitted various illustrations and photographs. Mr. Rohfleisch stated that the story will be published sometime in the fall.

Campus Shutterbug Mentioned by Henry

In an article headlined "Opportunists," Bill Henry, Los Angeles Times columnist and noted foreign correspondent, this week named J. R. Stephens, junior college sophomore photographer, as a "chap who makes his own breaks."

Writing in his column "By the Way," Henry said: "Folks who get places are those who 'make their own breaks.' That applies for instance to a young chap named J. R. Stephens, who has been making all the papers with 'on the spot' news photographs of accidents in and around Orange county."

"Having news-photographic ambitions, this Santa Ana J. C. sophomore has his radio constantly tuned in on police broadcasts and is usually on the scene as quickly as Jawn Law."

Long Beach Offers Summer Classes

Although the annual jaycee summer session will not be held here this year because of inability to finance the usual six weeks study program, Long Beach Junior college will sponsor a full list of summer courses from June 23 to August 29, it was learned today.

According to an announcement from the neighboring campus, enrollment charges at Long Beach will be \$4 a unit for lecture courses and \$5 a unit for laboratory courses, in addition to a \$2.50 library fee per term.

The first term at Long Beach will run from June 23 to August 1, while a second term is scheduled for August 4 to August 29.

Cooperate With National Defense In Constructing New Shops

In collaboration with the national defense system, construction of shop buildings will begin this summer on the site purchased for the new junior college plant, it was learned today from Director D. K. Hammond.

Completion of the shop buildings is expected by next September, and classes which are at present being held at the high school, will convene on the new premises next fall.

It was pointed out that more buildings will be erected as soon as shop buildings are completed and that the entire jaycee would move to the new plant within at least three years.

The board of education voted 3-2 in favor of the new jaycee plant at its meeting last Monday night. Trustees agreed to buy 20 acres of land on the corner of Seventeenth and Sanitago streets, with 15 additional acres being taken on option.

HARVESTS CROPS

The new junior college site is owned by John C. Maier. He will harvest crops from the orange grove before construction of shop buildings begins this summer, it was stated.

The land under option until July 1 is owned by a trio of other ranchers, each holding five acres, and lies on the west side of Santiago street.

OTHER SITES

Trustees who voted against the purchase of the property reportedly did so because they were considering other larger sites for the new plant, it was learned. However, immediate action was taken in an effort to aid the government

in turning out skilled shop workers. The government will supply all equipment for the new shops, Director Hammond said.

Superintendent Frank A. Henderson said that the purchase of the land will be financed by a direct tax and that the building program will be extended rapidly if a proposed bond issue carries next year.

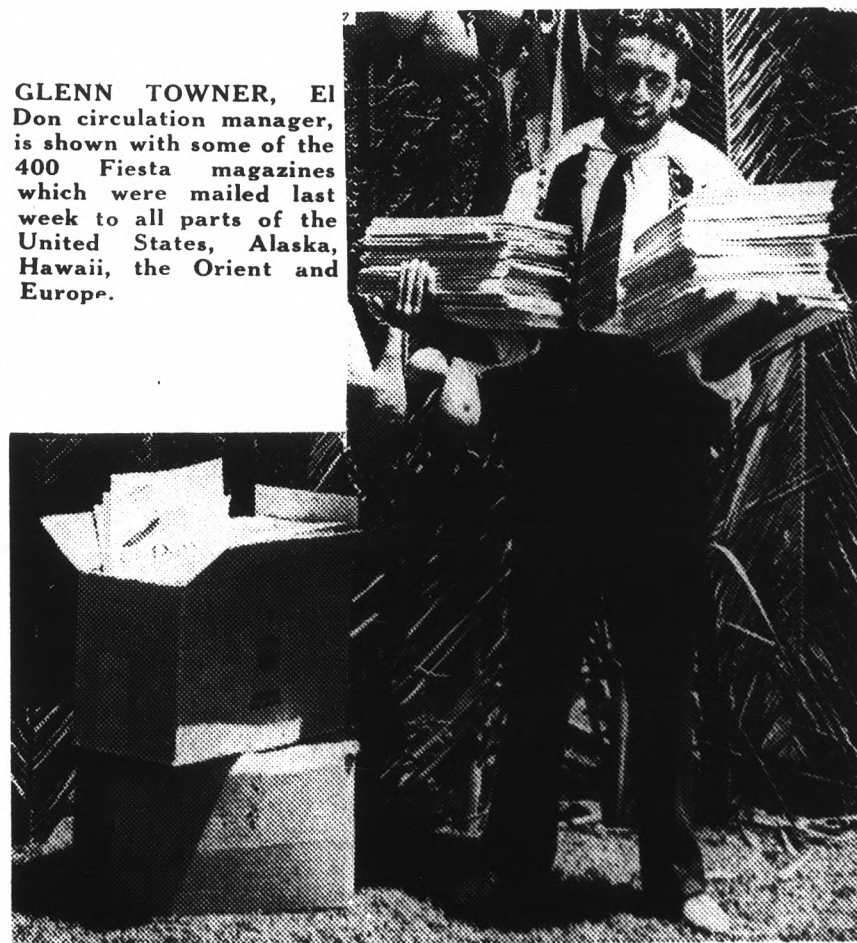

NEW GYMNASIUM

Along with shop, administration, and science buildings, a new gymnasium will be erected, relieving the present congested condition in the YMCA building where classes are now held. A practice football field and a track will also be built, but regular football games will still be played in the Municipal bowl.

The new 20-acre site cost \$21,000. It is expected that the board will also buy approximately 10 or 15 acres under option before the end of June. The price of this additional land was not revealed.

At present the jaycee plant does not comprise more than three or four acres, and is broken up and scattered over four city blocks.

In 1938, citizens of Santa Ana defeated a bond issue for a new plant by 263 votes.

GLENN TOWNER, EL Don circulation manager, is shown with some of the 400 Fiesta magazines which were mailed last week to all parts of the United States, Alaska, Hawaii, the Orient and Europe.

Engineers' Association Schedule Annual Convention Tomorrow

J. N. Ewing, forestry engineer, or Wallace McClure, dispatcher, will speak tomorrow at the annual convention of the American Association of Engineers, it was revealed today by Bob Haven, president of the local branch.

Films accompanying the talkers will be "Forestry Bridge Building," showing the work activity and two types of bridges constructed by the Civilian Conservation Corporation, and "Building Truck Trails," dealing with the construction of truck trails in national forests by the use of modern machinery.

After a general meeting at College hall at 5 p.m. an aerodynamics demonstration, including an air tunnel made by jaysee students, will be made. A banquet at the Masonic Temple will start at 7 p.m., and later talks and motion pictures will be shown. At 9:15 a dance, open to all jaysee students, will end the convention.

Over 230 tickets are out to members of the national clubs at Long Beach, Compton, Ventura, Fullerton, Riverside, San Bernardino, and Chaffey. Senior members of the AAE will attend the convention as guests of the junior college students who make up the junior branch of the club.

Decision on where the convention will be held next year and ways to make the organization more active will be decided at the convention, Haven explained.

ALUMNI BRIEFS

Tom Clark, '31, who is stationed at the Marine Hospital in San Diego was visiting here Wednesday.

Glenn Cave, '39, a Second Lieutenant in the Army Air Corps was visiting friends here early this week. He leaves for the Philippine Islands in the next few days.

Eleanor Brady, '38, is home from Santa Barbara State college.

Marjorie Lauderbach Blair has taken charge of the sport shop at Rankin's Department store.

Gladys Wilcox, '39, is now employed in the Marine Corps Reserve, Administration Section, Washington, D.C.

Jeanne Linsensbark, '40, has recently returned from University of California at Berkeley, where she has just completed her junior year studies.

Art Craft, former student, recently graduated from Annapolis Naval Academy. He is now located on the campus awaiting active duty.

Lutherans Will Select Fall Term Officers

President Bill Kamrath today declared that elections of the Luther club officers will take place next week.

He also disclosed that the organization recently held a district party for alumni and present members. Several members from various clubs all over the nation attended, including one member from Sweden who has just recently arrived in this country.

Sigma Phi Sigma Gives Concert

Presenting the semi-annual concert tonight at the high school Little Theatre is Sigma Phi Sigma, honorary music society. Following the program which begins at 8 p.m. there will be a reception in the Hut.

Taking part in the program will be Steve Fountain, Helen Anderson, Warren Tait, Bill Morris, Dorothy Van Horn, Douglas Stephenson, Margaret Fields, John La Monica, Virginia Claypool, Bill Kamrath, Jeanette Brown, vocalists. Pianists are Lola Slaback, Anne Ulseth, George Hale, Emily Joost, Ralph Tipping, Monte Griffith, Ruth Hawley, David Craighead.

Violin selections will be offered by Charles Adkins and John Stout, while Warner Spurrier and Jack Phillips will render saxophone solos. A selection on the cello will be given by Blanche Patton and Ruth Compton will render a whistling solo.

Miss Hawley, concert mistress, and Miss Brown, society president, are in charge of the program.

The public is invited to attend as well as parents of those participating. The concert is free of charge as is the reception following the program. The group also gave a concert Wednesday evening in the Little Theatre. Miss Myrtle A. Martin and Alan A. Revill advise the music organization.

French Club Elects Semester Officers

French club officers for next semester were announced today by Miss Lella Watson, club adviser, following elections Tuesday night.

Meeting at the Huntington Beach pavillion, 20 members of L'Hotel de Rambouillet chose Frances Head as president; Hector Tarango, vice-president; Jeanette Ellis, secretary; Mrs. Clara Hale, treasurer; and Anne Ulseth, reporter.

Outgoing officers are Dorothy Parker, president; Jocelyn Sims, vice-president; Hortense Taylor, secretary; and Laurence Bemis, treasurer.

Movie Page in Next El Don June 6

Because the annual Memorial day holiday falls on next Friday, May 30, there will be no issue of El Don next week, Editor Andree Willsey announced this morning.

The next issue of the campus paper on June 6 will be a special commencement edition featuring baccalaureate and commencement week activities for jaysee sophomores who will receive Associate of Art titles on June 20.

The whole edition will be streamlined, in addition to a new theater page, which will be printed for the first time in the paper.

BETTY FRYE, '39, today revealed that she will be married July 2 to Joseph J. Slack, UCLA student. While attending jaysee, Miss Frye was society editor for El Don during her sophomore year.

Librarian Releases New Book List

Twenty-five new fiction and non-fiction books have been added to the jaysee library today, Miss Muriel Anderson, librarian, announced.

The non-fiction books are: England's Hour by Vera Brittain; Exit Laughing by I. S. Cobb; Ambassador Dodd's Diary by W. E. Dodd; Behind God's Back by Negley Farson; My Sister and I by Dirk Van der Heide; Seven Keys to Brazil by Vera Kelsey; Winston Churchill by Rene Kraus; With Love and Irony by Yutang Lin; Tragedy in France by Andre Maurois; The White Cliffs by A. D. Miller; Under the Iron Heel by Lars Moen; Ink on My Hands by Clayton Rand; Reader's Digest Books by Reader's Digest; The Wounded Don't Cry by Quentin Reynolds; and Night Over Europe by F. L. Schuman.

Added to the fiction are Mountain Meadow by John Buchanan; Sapphira And the Slave Girl by Willa Cather; Cathedral In the Sun by A. B. Fisher; In This Our Life by Ellen Glasgow; Random Harvest by James Hilton; To Sing With the Angels by Maurice Hindus; Not For the Meek by E. D. Kaup; Walking the Whirlwind by Brigid Knight; H. M. Pulham, Esquire by J. P. Marquand; They Went On Together by Robert Nathan.

WEDDINGS

(Note: Information for this column should be submitted to the society editor. Announcements will be published as soon as wedding plans are made public. Dates indicate date of wedding.)

MARRIED:

Emmy Lou Brooks and Kenny Schroeder, May 18.

Betty Vosskuhl and Chuck Stafford, May 18.

ENGAGED:

Elizabeth Borchard and Rowland Jones.

Earlyne Stanley and Rex Albright, June 27.

Norma Craft and Art Eggers, June 13.

YOUR CLUB IN BRIEF

Bachelor brothers and their guests met at the home of Ben Osterman, El Toro, last week, for a party sponsored by the club, Grand Exalted John Osterman, disclosed today. Thirty-five were present at the event, including H. A. Moomaw, adviser, and Mrs. Moomaw. There was a steak bake, followed by dancing.

Next meeting of the Brotherhood is scheduled for Monday, when election of officers for next semester will be made.

BUCCANEERS

Buccaneers are today looking forward to the annual yachting party to Catalina Island Sunday, June 1, Skipper Bob Boyd announced. Thirty-two couples are expected to make the trip, chartering a craft Sunday morning from Newport Beach. The day on the island will be completed by the group attending the dance at the Casino ballroom to music by Ray Noble.

Next meeting will take place on the college campus Monday night when final plans for the party will be discussed and elections of next semester's officers will be made.

LAS MENINAS

Las Meninas service club members will hold their annual slumber party next Monday night at the beach home of Cecilia Earel, Beacon Bay. In charge of complete arrangements is Jean Dowds. Nominations of next semester's officers will be made at that time.

Language Students To Be Initiated

Five jaysee foreign language students will be initiated into Alpha Mu Gamma, college honorary language society, tonight at formal rites to be held at the Lafayette hotel, Long Beach.

Jeanette Brown, from the German club, Annabelle Loose and Margaret Beeson (French club), and Mary Towler and Mary Jane Crawford (Spanish club), will attend with Adviser Lella Watson the meeting with the organization's Gamma chapter. Miss Mary Swass and Hermann Stromer, advisers of other jaysee language clubs, will also accompany the students.

Theme of tonight's meeting is to be "International Friendship." This is the fourth year that the jaysee organization has been invited to meet with the beach city's group.

Social Commissioner Plans June Banquet

Mary Corey, social commissioner, is today making plans for the annual banquet honoring sophomores which is to be held June 19 at the Ebell clubhouse.

Tyrolean singers and dancers in their native costumes will provide the program. Other features of the affair will be announced later along with committee chairmen.

The annual banquet is held at the close of the college year, in order to award track lettermen and to make El Don awards. The editor of next semester's El Don will also be announced.

SPINSTERS

Sisterhood of Spinsters will entertain their guests tonight at the annual Spree at Las Serrano Country club near Chino.

In charge of arrangements for the annual dinner dance are Barbara Tucker, orchestra; Lucille Andrew, decorations; Mary Ann Maag, location; and Chelena McBurney, invitations.

JUNIOR OPTIMISTS

In order to elect next semester's officers, Junior Optimists will meet Tuesday evening at the home of Bob Kadau, Orange. Arrangements will also be completed for a party within several weeks.

PILOTEERS

Meeting at the home of Marietta Brown, 317 East Myrtle street, the Piloteers will plan for a barbecue June 9. The event will take place at the home of Marlyn Maag, Santa Ana canyon. Justine Shannon is general chairman of the affair.

Bozarth Selected YWCA President

Gwen Bozarth will serve as YWCA president next semester following installation last week. Serving with Miss Bozarth will be Betty Catland, vice-president; Margaret Funakashi, secretary; and Ruth Compton, treasurer.

Preceding the installation, the annual mother-daughter banquet was held with Mrs. Logan Wheatly of the Fullerton YWCA as guest speaker. Her topic was "Working Together For the Good of All."

Tattlers Arrange For Annual Party

Tavern Tattlers are today planning a dinner-theatre party to the Huntington library at San Marino. Jimmie Yamada, president of the club, revealed. Dorothy Parker heads the committee in charge of preparations for the event.

It was also learned that selections of two junior college students have been published in First the Blade. Samae McCorkell submitted a sonnet and "Beauty Lies Buried," and Harold Witt three sonnets and "Swallowed Laughter."

Club Contributes Funds For Denver Track Meet

Buccaneers today contributed \$34.90 to the jaysee track fund, revealed Dave Terhune, Keeper of the Log and Booty. The donation of the club will be utilized to send college trackmen to the Denver meet, May 30.

This amount was taken out of the general assembly fund received from after-game dances sponsored by the service club last fall.

For the Girl Graduate

The Left Column . . .

By VIC HEIM

We were very sorry to hear of the passing of Gus Ward, father of Coach John Ward. The late Mr. Ward was a faithful believer in clean, honest sportsmanship and delighted in hunting and fishing. Sympathy from all of jaysee sportdom goes to our coach during his bereavement.

WHY?

What we would like to know is this: Why does Santa Ana jaysee have a victory flag, if they aren't going to use it?

That's just a simple little question and yet no one has offered an answer. No one has ever explained that the flag is only used for football victories, but still after November, the red and white pennant was packed in mothballs and stuck away in the store room.

We've had a banner year these last two semesters with championship teams in football, golf, tennis, baseball, and track. This corner will venture to say it's the BEST year Santa Ana jaysee ever had or may ever have for a long time.

Now it would be a tribute to the teams, if after a hard-fought win, **Custodian Charley Milner**, would hoist the flag to its proper position under the stars and stripes.

Word has never come from any official which says that the flag can only be used for the pigskin sport. We think it should be used for all sports.

This corner will grant that football is probably the major interest in this town, but the fellows on the other teams work just as hard to win for Santa Ana jaysee as do the football players.

Why not fly the victory flag for them?

NEW BOARD

A newly constructed board has been erected on the wall of the jaysee gym at the high school with the all-time Don records. It is a fine piece of craftsmanship, but nine or ten of the records will have to be changed if the board is to be brought up to date. The order for the construction was evidently placed last year and it has just been completed.

DILAPITATED

Santa Ana jaysee needs a new trophy case. Hardly anyone would dispute the case if they take one short look at the dilapidated case which stands in College hall adjacent to C108.

Most colleges set aside a whole wall in which they encase their trophies. That 2 by 5 box which we call a trophy case is not worth the space it occupies.

We've harped enough today on sad conditions in our college, so now we'll await action by the student board of control!

Boxing Tournament Cancelled Due To Lack of Interest

Boxing Instructor John Ward today announced that the boxing tournament scheduled for the near future will not be held this year.

Coach Ward stated that because an insufficient number of contestants signed up for the pugilistic round-robin, the annual tournament has been eliminated from the athletic program.

"Only an average of two boxers in each division have shown willingness to participate in the event," he said.

Raise \$500 To Send Track Team To National J.C. Meet

Plan Night Meet For 1942

Schafaer Proposes New Arrangement

Plans were underway today for the formation of a 1942 track schedule, which would inaugurate night track competition in the Eastern conference, it was learned from Art Schafaer, commissioner of athletics.

The athletic director of San Bernardino jaysee strongly hinted that although plans were only tentative, the conference would adopt the new arrangement.

Mr. Schafaer, who arranges sport schedules for this conference, pointed out that only Santa Ana and Fullerton do not have facilities for such an outline.

If the resolution is carried through, the Dons would have only two dual meets and two triangular meets next spring, eliminating the necessity of having a separate meet with each jaysee in the league.

Netters Prepare For Round-Robin Here On May 31

Having captured the Eastern conference and the Southern California championships, Coach Merle Griset's netters today are preparing for the league doubles and singles tournament to be held on the local high school courts on May 31.

The entire racquetteer squad will be entered with Ralph Gish, top singles player, carrying chief hopes for Santa Ana. The freshman's greatest competition is expected to be furnished by San Bernardino's ace, Bodie Fite. Gish was elevated to the first singles spot after Keith Michelson was forced to retire for the season due to illness.

Included on the entry list are George Lincoln and Capt. Maurice Young, Griset's best doubles combination, which has been undefeated in conference play this spring.

Others who will aid the jaysee cause are Bill Helling, Bill Davis, Jim Zornes, Merle Anderson, and Don Brown.

WAA Officers Chosen For Fall Semester

WAA officers for the 1941 fall semester have been chosen today by members of the organization. Announced at the recent Mother-Daughter banquet, they include Isabelle Rellstab, president; Marieta Brown, vice-president; Bobbie Emerson, secretary; and Lucille Crawford, treasurer.

Competing for the positions were also Hollis Tibbals, Virginia Huelskamp, Lucille Andrew, and Jean Conliffe.

Present club officers include Louise Grant, Miss Rellstab, Miss Brown, and Miss Tibbals.

Miss Zena Leck and Miss Gerrie Griffith, women gym instructors, are the advisors of the WAA group.

Four Wardmen Scheduled As Entries In Coliseum Relays

At least three and possibly four Santa Ana jaysee cinder artists will compete for the Eastern conference in the Los Angeles relays tomorrow afternoon in the coliseum.

Hurdler Walt Smith and Jack Porter will run under red and black colors in the 880 yard sprint medley race, and will be teamed up with two other sprinters from the Eastern league.

WAKEFIELD ENTERED

Bill Wakefield, present jaysee high jump record holder, will enter his favorite event against a star-studded field led by Les Steers and Bill Stewart, both of whom have broken the world's record.

Jim Shaw, Don quarter mile runner, will team up with Smith, Al Heredia, and Mert Goddard to form a mile relay quartet to run against the best in the Western division.

CAPABLE OF 3:20

Heredia, Fullerton star, has run 50 sec. flat while Riverside's Goddard has flirted with the 49 sec. flat mark. This foursome is capable of running close to 3 min. 20 sec. in the mile.

Controversy arose over the fact that Pasadena, which does not belong to the Western conference, will be represented on the opposing team.

Compile National Jaysee Records

When Coach John Ward takes his trackmen back to Denver next week to face the best jaysee competition in the nation, Scarleteer cinder artists will be gunning for good records.

Following is a complete record of the national junior college track records as complete as possible.

100—9.5, 220—20.5, H. Davis (Salinas J.C.), 1940; 440—47.1, by Wilber Miller (Compton), 1938; 880—1:54.6, by Blair Hyde (San Mateo), 1939; mile—4:16.1, by Cecil Cole (San Mateo), 1937; two-mile—9:31.1, by Gabe Cazares (L.A. C.C.), 1940; low hurdles—23.3, by Leroy Kirkpatrick (Santa Monica), 1936; high jump—6 ft. 8 5/8 in., by Estelle Johnson (Compton), 1934; broad jump—25 ft. 6 1/2 in., by Jackie Robinson (Pasadena), 1938; shot put—51 ft. 1 in., by Dan Merritt (Modesto), 1940; pole vault—13ft. 11 1/2 in., by Earl Meadows and Bill Sefton (U.S.C.), 1934; discus—143ft. 8 in., by Adrian Davis (Compton), 1938; javelin—203ft. 4 in., by Jim Parker (Sacramento), 1938; 440 relay—42.4, by Nelson, Worrell, Callier, and Robinson (Pasadena), 1936; 880 relay—1:25.6, by Bess, Culpepper, Allen, and Jeffrey (Riverside), 1938; mile relay—3:19, by Hylton, Finck, Olson, and Purchase (San Mateo), 1940; two-mile relay—7:56.9, by Smith, Lawson, Reading, and Baker (Compton), 1938; distance medley relay—10:22.4, by Girard, Cunningham, Young, and Cole (San Mateo), 1937; hop-step-jump—46ft. 11 3/4 in., by Bob Beckus (Compton), 1940.

Dons Entrain For Denver Tuesday

Coach John Ward was still tabulating figures today on the number of tickets sold for the benefit ball game held Wednesday night to raise money to send Don track forces to the national meet in Denver next Friday.

It is understood that Walt Smith, Co-captain Art Berry, Bill Wakefield, Jack Porter, Bob Bryant, and Frank Minini have been selected for the trip and will entrain next Tuesday for the meet in Colorado.

If enough additional money is raised, Ward plans to send at least three more members from this season's championship team.

\$500 RAISED

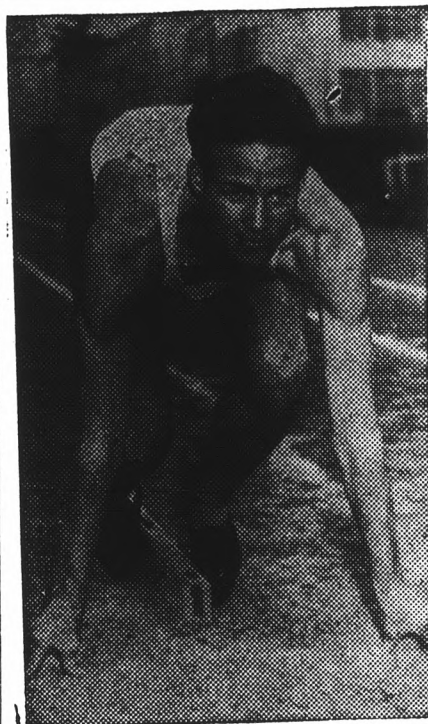

Ticket sales for the ball game showed that over \$500 was added to the expense account of the trip.

Jaysee's Buccaneer service club added to the total yesterday with the announcement that \$35 will be given to help finance the trip to the Colorado city.

DOUBLE DUTY

Meantime, Ward was still trying to figure out how the red and black aggregation could bring home the national championship without the services of Eddie Morris. It appeared certain that Smith, double Southern California champ, was in for double duty if the Dons were to emerge victorious. Wakefield was also expected to double up, as was Porter, high hurdle ace.

If more than six members make the journey, additional candidates will probably be chosen from James Kobayashi, Field Berry, Art Mendoza, and Bill De Venney.

WALT SMITH (above) is pictured just as he gets set to run over the 220 low hurdles in practice session at Clayton Field. The hurdler holds both 220 hurdle and 440 jaysee records. The sophomore may double up in both races in the National meet at Denver next Friday. He may attend Texas University next year. (Cut courtesy Register)

Borrow ASB Funds For Bowl Addition

Lending of \$4000 to the city by the Associated Students for the construction of new bleachers at the Santa Ana Municipal bowl, was reported today.

City officials have agreed to allow free use of the bowl to the jaysee until the loan is paid. The loan was offered to the city when the jaysee petitioned for the enlargement of the bowl's seating capacity. Not having sufficient funds for the project, the city accepted the offer and agreed to forego its 10 per cent rental charge until the \$4000 has been repaid to the jaysee students.

Inter-Club Games Continue Here

Jaysee service clubs will continue their inter-club baseball tournament next Tuesday night when the Buccaneers tangle with the Junior Lions at 7:15 p.m. at the Santiago park diamond.

Second game of the double-header will begin at 8:30 p.m. with the Bachelors meeting the Junior Optimists. The Buccaneers have already faced the Junior Optimists and the Gauchos, while the Junior Lions have met the Gauchos and the Bachelors.

Gordon Olson of the Buccaneers is in charge of the tourney and arranged the schedule. Each year the baseball round-robin is sponsored by the latter service club.

On June 5, the Buccaneers will oppose the faculty in a game which has always provided thrills.

Registrar Lists 205 Candidates For Graduation

Winter and Spring Classes Named

Releasing a tentative list, Miss Mabel G. Whiting, college registrar, today named 205 candidates for graduation who expect to receive diplomas at the annual Commencement exercises which will be held at the local high school June 18.

Preceding the graduation ceremonies, Baccalaureate services will be held at the high school Sunday, June 15 at four o'clock. Speaker for the service will be Rev. C. E. Holman, pastor of the First Methodist church of Santa Ana.

Listed as candidates are Don Adair, Charles Adkins, Wayne H. Alexander, Victor C. Alleman, Raymond Allen, Clarence Applebaugh, Alice Arterburn, Frank Ausing, Lloyd Babcock, Christine Baird, Roy Baly, John Balzer, Mary Baltholomew, Robert Barton, Margaret Beeson, Thomas C. Beiseker, Anne Bell.

Laurence Bemis, Barbara Bird, Raymond Bishop, Harriet Blackburn, Howard Bobo, Horace Bolton, Rosanne Bourgerie, Bob Boyd III, Janette Bozarth, Joan Ethel Bray, Cathryn Brewer, Gilbert Bristow, Jeanette Brown, Bob C. Blake, Bruce Buell, Gordon Burlingame, Don Cameron, Bill Carden, Mrs. Ruby Carney, Jack Clark, Regine Clarke, Virginia Claypool.

Grace Cock, Leonard Conkle, Roberta Corcoran, Mary Corey, Henry Corneil, E. Mayrene Cox, Edwin Cox, Mary Jane Crawford, Don Crocker, Margaret Crocker, Gloria Crouse, Dan Cullen, Dorothy Daniger, Jean Dannenbring, James Davis, John Delbert Davis, Marion Davis, Fulton Doughty, Jean Dowds, Laurence Dresser, Don Dunning, Gerald Dye, Dorothy Egginton, Natalie Ely, Robert Elzig.

A Capella Choir, Octette, Soloists, To Present San Diego Program

Leaving Santa Ana at one o'clock Sunday afternoon, 42 junior college musicians will be presented in an evening concert program at the First Methodist church of San Diego, Miss Myrtle A. Martin, head of the college music department, announced today.

Pastor of the San Diego congregation is the Rev. George Warner, former pastor of the local Methodist church, Miss Martin revealed. Several former Santa Anans are members of the congregation.

Placement Bureau Will Continue Operation Throughout Summer

Librarian Releases New Biography

Containing the true life stories of more than 1000 famous people in the world today, a new book, Current Biography 1940, was put into circulation today in the library by Librarian Lillian L. Dickson.

Outlining the little known facts about the world's famous people, the new book gives a detailed Who's Who of 1002 men and women in the news today.

Little known facts included in the book are such items as: Dr. Thomas Parran, Surgeon General in the United States, once milked a cow on a city street to boost milk consumption; and Al Jolson, comedian, is the son of a rabbi.

Describing the trials and formulas for success of the nation's leaders, the book is the result of a year's research in modern periodicals by the editors.

Yearbook Sent To Press This Week

Rolling through the college print shop presses this morning, copies of Del Anu will probably be ready for campus distribution before final examinations, Art Advisor Lucinda Burrows announced today.

Completing the copy, photographs, and type setting with Fiesta, the yearbook went to press Monday.

Following its printing in the local shop, the book will be sent to the bindery in Los Angeles on or before June 6. The covers and the last few engravings are being made today.

Instructor Tests Flight Classes

Flight Instructor H. O. Russell declared today that final ground school examinations have been scheduled for June 3 and 4.

Mr. Russell stated that the advanced flight training class will take their final ground school examinations on June 3 while the beginning students will be examined the following day.

With 10 per cent of the secondary trainees having finished their flight examinations, Mr. Russell said that he expected the beginning students to finish their flying by June 1 and the advance class by the middle of the month.

Invisible half soles, shining, dyeing, shoes made longer and wider, and toes cut out.

Announcing that the Santa Ana jaycee placement bureau would continue to function throughout the summer, Director Genevieve Humiston today indicated placement of 20 students to date for the month of May.

Of these positions, 11 are temporary, five are part-time, and four full-time. Calls for gardeners, chauffeurs, and houseworkers are more numerous than others, observed Miss Humiston, and were closely followed by positions for helpers, salesmen, switchboard operators, dishwashers, and stockroom clerks. One job filled was stenographer to a Radio Television firm. Students have been recommended to positions in Orange, Whittier, Balboa Island, Anaheim, and Laguna Beach.

There are more opportunities in the merchandising field than ever before, it was learned, and experience in window displays, in selling, and in stockroom clerking is offered.

Miss Humiston declared that if students would advise the bureau of definite types of work desired, special efforts would be made to contact employers using that kind of labor. Success of the bureau, she emphasized, depends largely upon the cooperation of students.

"The placement bureau will undertake every effort to help the student find employment," she said, "but it cannot guarantee him a job."

The placement service is expanding its efforts, and this acceleration is abetted by graduating sophomores, now interested in obtaining employment.

The staff is currently engaged in planning summer work for which there have been 80 applications already. Among the divisions of vacation employment are at suburban packing houses and also as helpers at beach resorts, where room and board is furnished.

FACULTY ATTENDS PICNIC
Among 225 faculty members of city schools who attended the City Teachers' league picnic Wednesday afternoon at Irvine park were 22 jaycee instructors, Dean of Men Calvin C. Flint stated today.
